

PURCHASE /DEPOSIT CONTRACT

We use a comprehensive vet supervised vaccine and worming program and special care is given to each individual puppy. All puppies sold are vet checked for shipping and pass the criteria for an Interstate Health Certificate before they are shipped to you. We also allow 30 days from delivery for any genetic heart defect to be detected by your vet; our warranty also includes liver shunt for 30 days. Confirmation of Liver Shunt requires a Bile Acid Test and a Color Flow Ultra Sound only. Should a covered condition occur your puppy will be replaced with a puppy of equal value, if none is available within 180 days, the purchase price of the puppy will be refunded to you. We do not cover any airfare expenses for replacement puppies or refund airfare expenses in case of refund. We are not responsible for any medical bills incurred by either the animal or yourself after the purchase. Complications that occur due to hypoglycemia are not covered. Complications such as Respiratory Tract Infections, stomach upsets or coccidiosis, which can be caused by stress, shipping or environmental changes are not covered As with any toy breed puppy there is a higher chance of health risk issues and water on the brain which is not normally detectable till older. Hypoglycemia is a controllable condition and is not considered a defect. Skin conditions, allergies, disagreement of family, landlord disapproval are not covered. Exposure to puppy diseases such as kennel cough, giardia, parvo, and distemper are not covered. Within 2 business days of receiving your puppy we will allow a \$50.00 discount for the following: Cherry eye, hernia, joint, knee or hip defects, and eye or ear defects. After this period No adjustments will be made. Proof of condition is required from a licensed veterinarian. This puppy is being represented as a pet only with no guarantee of show quality or breeding abilities. The puppy's registration papers, if they have them, will be provided at the time of the sale. The buyer is advised to spay or neuter their pet. If bred before 1 year of age and 4 pounds buyer voids their warranty. This is strongly not recommended for the health of the pup when these requirements are not met. Color, weight or disposition of this puppy is not guaranteed. I have read this warranty and I agree to the terms outlined in it. Some airlines offer insurance to protect your investment in this puppy during the flight if you desire this it will be purchased at your expense. My signature acknowledges this warranty as a legal binding agreement between buyer and seller. By my signature I agree to the terms and conditions of this Sale/Deposit Contract and the terms and conditions of the health warranty stated in this document. Buyer agrees not to harass, slander or report any information concerning this sale to any other party. The parties hereto choose the Venue of the County of Riverside Ca. with the express renunciation to any other; no matter how privileged it might be, for the purpose of solving any dispute resulting from the application of this agreement herein. I have 48 hours after receiving the puppy to state a problem. To activate this warranty you must take your pup to a Vet within 24 hours after receiving it. This insures your intentions for the puppies health and gives them the best start at their new home.
